("Infracommerce" or "Company") (B3: IFCM3), in compliance with the provisions of Article 157, paragraph 4, of Law No. 6,404, dated December 15, 1976, as amended ("Brazilian Corporation Law"), and pursuant to Resolution No. 44 of the Brazilian Securities and Exchange Commission (CVM), dated August 23, 2021, as amended, hereby informs its shareholders and the market in general that, at a meeting held on this date, the Company's Board of Directors approved the submission, for deliberation by the Company's general meeting, of a proposal for a new reverse split of all shares issued by the Company in the proportion of 10:1, that means ten (10) common shares converted into one (1) share of the same type ("Reverse Stock Split"). The Extraordinary General Shareholders' Meeting should be held on September 22, 2025 ("EGM") to resolve on the Reverse Stock Split, among other matters.

The proposal to carry out the Reverse Stock Split is a new measure adopted by the Company to adjust the price of the shares issued by it to a level above R\$ 1.00 per unit ("Minimum Level"), pursuant to article 46 of the Issuers Regulation (*Regulamento de Emissores*) of B3 S.A. – Brasil, Bolsa, Balcão, in line with aligned with the reverse stock split approved at the Extraordinary General Meeting held on June 30, 2025 and implemented on July 31, 2025.

The management understands that the proposed reverse split factor (10:1) will be necessary and sufficient for the share price of its issuance to be above the Minimum Level.

Once the Reverse Stock Split is approved at the EGM, the Company's shareholders will have the opportunity, for a period of thirty (30) days, to adjust their respective shareholding positions, at their own discretion, so that the shares held by them do not generate fractions after the consummation of the Reverse Stock Split. Notwithstanding, any fractions of shares resulting from the Reverse Stock Split will subsequently be sold in an auction to be held at B3, according to the dates and procedures to be provided for in the notice to shareholders.

More information about the Stock Split can be obtained in the Meeting Participation Manual and Management Proposal to be released by the Company, pursuant to the applicable regulations.
